VISION 2040 LONG RANGE PLAN READY FOR REVIEW

Public comment period ends August 19, 2016.

Our region is growing and so are its transportation needs.

VIA has spent the past year engaging with the community and planning a regional vision for transit. Many meetings, surveys, and conversations have helped guide the process. The plan is now ready for you to read and tell us what you think.

Vision 2040 Long Range Plan

Throughout the Vision 2040 process, community input helped shape and update VIA's Long Range Plan. The Long Range Plan envisions a region with a multimodal network of options, improved frequency, and an expanded service area.

Implementing the Vision The Long Range Plan will help VIA prioritize projects to help you get to work, school, and places to play. Community feedback helps move the plan forward.
