

Contract Opportunities Forum

VIA Metropolitan Transit is holding a Contract Opportunities Forum, in preparation of the release of various contracts that will be issued in the upcoming months. The scope of the contracts will encompass a wide variety of projects and services, including, but not limited to:

- Planning
- Forecasting
- Modeling
- Public Involvement
- Design
- Architectural
- Engineering
- Environmental Study/Analysis
- Vehicle Selection
- Local/State/Federal Coordination
- Grant Writing
- Exhibit and Public Facing Document Development
- Capital Projects Development
- Project Management Services
- Transit Supportive Unified Development Code

This Forum includes a brief presentation by VIA staff at 2:30 p.m., describing the general Scope of Services and term length for each contract.

QUESTIONS?

Please call (210) 362-2400

This event will provide an excellent opportunity for networking between potential prime and sub-contractors. Staff will be available during the networking sessions to answer questions regarding the contracts and potential projects.
