12:30	12:42	12:50	12:59	1:10

1 - Goes to Fredericksburg Rd. and Huisache ONLY.

RIDERS WITH WHEELCHAIRS

The Primo vehicles offer space for two wheelchairs, one new self-restraining, rear-facing wheelchair space and the standard forward facing wheelchair positions.

New Rear-Facing Wheelchair Position

The rear-facing position does not require securement or assistance which can be more convenient and offers greater independence. It makes it easier and faster to get on and off the bus. When using this position, push yourself all the way back against the cushioned support, apply your parking brake, and fasten optional seat belts if desired.

Forward-Facing Wheelchair Position

VIA operators are required to secure all riders using the forward-facing wheelchair positions using a four point securement system. When boarding the bus, please let the operator know if you plan on using the forward-facing position.

RIDERS WITH BIKES

The Primo vehicles can accommodate three bikes inside each vehicle.

Because the bike rack is located inside and in the rear of the bus, riders with bikes must board from the rear door. Once on board, simply roll the front bike tire into one of the slots on the rack and allow the top roller to come over the front wheel. Once your bike is secure, please proceed to the front of the bus to pay your fare.

HOLIDAY & FIESTA SCHEDULES
 Bus service on VIA observed holidays will be provided as follows:

Saturday Schedule - Martin Luther King Day, Memorial Day & Friday after Thanksgiving

Sunday Schedule - New Year's Day, Labor Day, Thanksgiving and Christmas

Fiesta Schedule - Times are subject to change during the Fiesta parades. Please refer to the Fiesta Reroute Schedule flyer for details.

Please look for notices on the bus, at VIAinfo.net or call Customer Service at 362-2020 (select option 5) for all other observed holidays.

ON BOARD SAFETY TIPS: Get a grip. Use handrails at all times as the bus may need to stop suddenly. Remain seated until the bus has completely stopped. Watch your footing, especially while boarding and exiting.

PERSONAL TRIP PLANNER: Plan your own trip online 24 hours a day at VIAinfo.net. You can also get directions by transit at maps.google.com. These online tools are easy to use and will provide step-by-step instructions and a map of your trip.

PASAJEROS CON SILLA DE RUEDAS

Los vehículos de Primo, ofrecen un sistema de auto restricción, con espacio para que las sillas de ruedas miren hacia atrás en adición de dos posiciones estándar de sillas de ruedas mirando hacia el frente, aunque sólo dos pueden estar ocupados a la vez.

Nueva Posición De La Silla De Ruedas Mirando Hacia Atrás

La posición mirando hacia atrás no requiere de selección ó asistencia la cual puede ser más conveniente y ofrece mayor independencia. Es mucho más sencillo y rápido entrar y salir del autobús. Cuando esté utilizando esta posición, empuje hacia el final hasta llegar al soporte amortiguado, aplique su freno de manos y coloque su cinturón de seguridad opcional si lo desea.

Posición De La Silla De Ruedas Mirando Hacia Adelante

Operadores de VIA requieren asegurar a todo pasajero que esté utilizando la posición de la silla de ruedas mirando hacia el frente utilizando un sistema de 4 puntos de seguridad. Cuando aborde el autobús por favor informar al operador cuando planea utilizar la posición frontal.

PASAJEROS CON BICICLETAS

Los vehículos de Primo pueden acomodar 3 bicicletas adentro de cada vehículo.

Debido a que el soporte para bicicletas se encuentra adentro y en la parte trasera del autobús, pasajeros con bicicletas deben abordar por la puerta trasera. Por favor camine con su bicicleta en la plataforma y pararse cerca del símbolo de bicicleta, esto asegurará que esté alineado con la puerta trasera y le indicará al conductor que estará embarcando con su bicicleta. Una vez a bordo, simplemente ruende la rueda frontal de la bicicleta. En cuanto su bicicleta esté segura, por favor proceda hacia el frente del autobús para pagar su tarifa.
