

COVID-19 | FAQ

CURRENT AS OF DECEMBER 4, 2020

WHERE CAN I FIND INFORMATION ABOUT WHAT VIA IS DOING ABOUT COVID-19?

- We're posting regular updates to our website at [VIAinfo.net/covid-19](https://viainfo.net/covid-19).
- Posters and flyers are distributed throughout our transit centers and Park & Ride facilities.
- Signs are posted on buses.
- Information is posted on digital screens and kiosks throughout the system.
- You can also follow us on Facebook and Twitter for alerts.
- Sign up for email updates at VIAinfo.net.

WHAT DOES IT MEAN WHEN MY BUS INDICATES "AT SAFE CAPACITY" IN THE DESTINATION SIGN?

- To help passengers and our operators maintain a safe distance while on board, we have set a "safe capacity" limit of 16 passengers per trip on buses.
- This is less than half of seated capacity for buses and will allow people to skip a seat and keep some distance.
- We've put more buses on popular routes so that people don't have to wait long for the next bus to come.
- This is one of the ways VIA is helping to protect our passengers and operators.

HOW LONG WILL THE SAFE CAPACITY LIMIT BE IN PLACE?

- We will maintain a 16-passenger limit aboard buses until further notice to allow for safe distancing between passengers.

COVID-19 | FAQ

WHAT DOES THE “STAY HOME, WORK SAFE” ORDER MEAN FOR VIA?

- The “Stay Home, Work Safe” order is to “shelter-in-place” for all persons living in San Antonio and Bexar County.
- The Executive Order has been extended **through September 16**. For updates and copies of the City and County orders, visit Bexar.org or SanAntonio.gov.
- Under the order, everyone is required to stay home, except for essential or “covered” activities as outlined by state and local officials.
- **The order lists VIA and public transit as an essential service.**
 - We will continue to run bus service for those who must still travel.
 - An ***Essential Service Schedule*** is in place.
 - Essential Service Schedules were updated on July 27 and will continue until further notice. A complete list of routes and stops affected are available at VIAinfo.net. [Service Changes Effective July 27](#)
- VIAtrans, and VIA Link service will continue to operate as usual.
- The order requires everyone wear a cloth mask while in public and whenever proper social distancing is not possible (staying at least 6 feet apart).
 - Non-exempt VIA passengers will be required to use a cloth face covering over their nose and mouth to board and ride VIA vehicles, and access facilities, until further notice.
- While supplies last, a face covering will be offered to customers who do not have one when they board the bus.

ARE VIA RIDERS REQUIRED TO WEAR MASKS?

- Yes. Non-exempt customers over the age of 10 are required to wear a face covering over their nose and mouth while aboard a VIA vehicle or at VIA facilities, where proper social distancing is not possible, **until further notice**.

COVID-19 | FAQ

- The order applies whenever 6 feet of personal space cannot be maintained between persons in public, such as inside a bus or a transit center.

WHAT IF I HAVE A MENTAL HEALTH OR PHYSICAL HEALTH ISSUE THAT PREVENTS ME FROM WEARING A FACE COVERING/MASK?

- There may be specific situations or reasons why a person may be unable to wear facial coverings/face masks: for example, a physical or mental condition or disability. If you are a person who is unable to wear a facial coverings/face mask for these reasons, please contact the VIA Accessible Services Department at 210.362.2140 to request an accommodation.

WHY AREN'T PASSENGERS BOARDING THROUGH THE BACK DOORS?

- Most VIA buses don't have automatic back doors. They must be pushed open by passengers when exiting. This is part of the reason we offered a fare-free period, so that customers boarding through the front door could limit contact with the driver and avoid crowding, while additional safety measures were put into place.

IS VIA STOPPING OR REDUCING SERVICE?

- VIA is continuing to operate on an "Essential Service" schedule, which maintains or improves current schedules for routes that continue to see high ridership and adjusts others based on changing conditions.
 - Essential Service Schedules were updated on July 27 and will continue until further notice. A complete list of routes and stops affected are available at VIAinfo.net. [Service Changes Effective July 27](#)
 - Visit VIAinfo.net/routes for specific route schedules.
- Riders are reminded to only make essential trips during this time and observe VIA's requirements to practice social distancing and wear a face covering in public.

IF I FEEL SICK, CAN I TAKE VIA TO GO TO THE DOCTOR OR HOSPITAL?

- **No.** If you feel sick, do not use public transit—per CDC recommendations.

COVID-19 | FAQ

- Call your doctor or health care provider for instructions.
- Visit the City's website at www.SanAntonio.gov to take a self-screening test.

WHAT IS VIA DOING TO HELP PROTECT ITS EMPLOYEES?

- VIA has stepped up its cleaning procedures for buses, vans and facilities. This includes daily cleaning—at the end of the run and throughout the day—with EPA-approved, hospital-grade solution.
- We have removed or restricted access to the seats nearest to the driver's seat on our vehicles. This helps reduce interaction and promote social distancing for passengers and operators.
- Operators have access to hand sanitizer, wipes and gloves and masks to help protect them and our customers.
- We have suspended fares **through May 31**, and restricted access to the areas in front of the bus to reduce interaction and crowding close to the operator.
- VIA issues masks to all operators and front-line workers. These are mandatory for all employees while working or while at a VIA facility.
- Protective plastic shields have been installed on all driver cabins for buses and vans. These droplet-resistant, clear-plastic curtains are temporary. Permanent shields will be installed in the future.
- VIA is performing temperature checks on all employees entering VIA facilities or reporting for duty at a VIA location to ensure they are safe and healthy while interacting with the public.
- VIA requires all non-exempt passengers to wear a facial covering over the nose and mouth whenever social distancing is not possible, such as aboard a bus or at a transit facility, until further notice.
- VIA employees are required to follow additional recommended steps like washing their hands often, coughing and sneezing into their arm, wiping down surfaces and staying home if they feel sick.
- Up-to-date information on how to stay healthy and safe is available to operators and employees online, in office areas, aboard buses, and at transit centers and Park & Ride

facilities.

- Employees who can perform their duties remotely have been asked to do so to promote social distancing in the workplace.

DO VIA OPERATORS HAVE MASKS? ARE THEY REQUIRED TO WEAR THEM?

- VIA issues masks to operators as part of their personal protective equipment that also includes gloves and sanitizing products. This is in line with CDC recommendations and guidelines for the public, including public service workers.
- All VIA employees who interact with the public are provided masks and gloves and required to wear them while working or at a VIA facility.
- We will continue to monitor recommendations from the CDC and other health officials and take any additional steps required.

DOES VIA HAVE PROTECTIVE SHIELDS ON VEHICLES FOR OPERATORS?

- Yes, we have installed temporary plastic barriers on all driver cabins to further protect them and others from the spread of germs.
- The shields are droplet-resistant, clear-plastic curtains.

IS VIA CHECKING TEMPERATURES FOR EMPLOYEES?

- Yes, VIA is performing temperature checks for all employees entering VIA facilities or reporting for work at a VIA location.

IS VIA CHECKING TEMPERATURES FOR PASSENGERS?

- Not currently. But passengers are reminded that if they feel sick, they are not supposed to take public transit. They should call their doctor or the City's COVID hotline for information.

HAVE ANY VIA EMPLOYEES TESTED POSITIVE FOR COVID-19?

- Updates regarding employees who have tested positive are posted to [this page](#).
- A list of routes, bus numbers and times operators drove during the period prior to their last day on duty is also available.
- All vehicles and work areas are cleaned and sanitized daily and as needed as part of our enhanced safety protocols.
- All employees are instructed to report COVID-related symptoms to their supervisor and their physician. Employees are told to stay home if they feel ill to limit exposure to others.
- Operators are eligible for COVID-19 screening at the City's pre-approved testing facility. They are asked to work with their supervisor to be referred for testing.

WHAT IS VIA DOING TO HELP PROTECT ITS CUSTOMERS?

- To date, no local cases have been linked to the use of public transit services.
- VIA continues to expand its cleaning procedures for buses, vans and facilities that include daily cleaning with EPA-approved, hospital-grade solution designed to kill germs that cause illness.
- We have removed or restricted access to the seats that are closest to the driver's seat aboard our vehicles. This leaves some space between passengers and the driver, which is recommended to keep a safer environment.
- We'll continue to set a safe capacity limit of 16 passengers per trip until further notice, to allow for social distancing on board. Extra buses have been placed on popular routes to make sure all passengers are picked up.
- Non-exempt passengers and customers at VIA facilities are required to wear a face covering over their nose and mouth, until further notice. A face covering is required whenever 6 feet of physical distance between people is not possible – such as while waiting at bus stops,

WILL "REGULAR SERVICE" SCHEDULES RETURN WHEN FARE COLLECTION RETURNS?

COVID-19 | FAQ

when aboard a VIA bus or van, or while at a VIA facility.

- This schedule adjustment is temporary and designed to continue operating bus

I AM RECEIVING UNEMPLOYMENT BENEFITS. HOW DO I APPLY FOR A WORKFORCE ASSISTANCE PASS?

service for people who must travel for work or other essential activities.

- VIA's Workforce Assistance Pass is a new fare assistance program for unemployed customers.
- Persons who are unemployed can request VIA's new Workforce Assistance Pass.
- The complimentary pass is good for 31 days from activation and is available for customers who presents a copy of their unemployment benefit statement (dated May 15 or after) and a current photo ID at a VIA ticket window during normal business hours.
- Upon review of the customer's statement of benefits and ID card, a pass will be issued using the free VIA goMobile app or on a VIA goCard. One per customer.
- Customers with extended unemployment benefits can request a subsequent 31-day pass by following the same process: presenting their updated statement of unemployment benefits and ID card with photo at a VIA ticket window.
- VIAtrans customers requesting Workforce Assistance Passes can contact VIA's goLine at (210) 362-2020 for more information and instructions on how to apply for a pass via email.
- The program will continue through December 2020.
- Customers are required to follow social distancing and safety guidelines in place at all VIA facilities and Code of Conduct guidelines while riding, including requirements for non-exempt passengers wearing face coverings and rules against joyriding.

WHEN WILL THE VIVA ROUTES RETURN TO SERVICE?

COVID-19 | FAQ

- VIVA routes 11, 40 and 301 are temporarily suspended.
- This change is part of our Essential Service Schedule that keeps service going for people who must make essential trips.
- The schedule focuses service on routes and areas with the highest demand for ridership.
- While most museums, parks and restaurants remain closed or are open with limited capacity, we will pause service on VIVA.
- We hope to return soon!

WHAT CAN CUSTOMERS DO TO HELP STOP THE SPREAD OF GERMS?

- Stay home.
- Wear a face covering when in public.
- Wash your hands frequently.
- Use hand sanitizer between washing
- Cough and sneeze into your arm.
- Avoid touching your face.

- **ONLY TAKE ESSENTIAL TRIPS during this time.** If you do not absolutely have to travel, stay home and avoid public spaces.

- Keep a safe distance from others when in public. At least 6 feet between you and the person next to you is recommended by the Centers for Disease Control and Prevention (CDC), health and government officials.

- Use hand sanitizer in between hand washing. We have placed hand sanitizing stations at our offices and facilities for customers to use.

- We have also updated the information available on our website, aboard our buses, and at our transit centers and Park & Ride facilities to ensure customers can stay informed.

- You can find this and other helpful information at WWW.CDC.GOV.
