

Compliance Audits

Subcontractors and Subconsultants

Completing Your Compliance Audit

VIA's Diversity Compliance Reporting System (DCRS) is used to monitor contract compliance. Prime and Subcontractors must confirm their payments in DCRS. Each monthly audit will open once the month ends. For example, March's audit will be open on April 1st. An email will be sent to the Prime Contractor's contact person for the contract when an audit becomes available. Subcontractors will be notified when a payment is posted for their company. It is the Prime Contractor's responsibility to ensure their Subcontractors confirm their payments. The Prime Contractor is required to send copies of the Subcontractor's invoices when submitting payments to VIA.
