

Whether you ride one of VIA's many bus routes, book a ride on VIA Link or use VIAtrans for riders with disabilities, VIA has convenient options that work on your schedule. Best of all, you can skip the parking hassles and fees and ride VIA FREE.

Bus

Hop on one of the many VIA bus routes that serve and surround Alamo Colleges campuses. Buses run early morning through late night, with frequent service and reliable schedules — perfect for getting to class, work, or just exploring the city.

VIA Link

Need a quick ride? VIA Link is an on-demand service you book through the VIA Link app. It works like rideshare but operates within designated zones. Just request a ride within a VIA Link zone and go — super convenient for getting around on your own time.

VIAtrans

Riders with disabilities can apply for VIAtrans curbside service. You'll just need to apply and get approved for advanced trip scheduling.

Event Park & Ride

As an added value, your U-PASS also gets you free rides to major San Antonio concerts, sporting events and Fiesta.

RIDE FREE WITH A U-PASS

All Alamo Colleges students, faculty and staff can get a free VIA U-PASS. With the U-PASS you can ride VIA services for free — whether you are going to class, shopping or to a game.
