## Frontier's General Refund Policy

Frontier Airlines typically sells **non-refundable tickets**, which means you won't automatically get your money back if you cancel.   2. **Flight Cancellations by Frontier** – If Frontier cancels your flight, you are entitled to a complete refund or free rebooking. Assistance is available at ☎ +1-877-622-0707.
  3. **Refundable Ticket Purchases** – If you purchased a refundable ticket (usually more expensive), you can cancel and get your money back. To confirm your ticket type, call ☎ +1-877-622-0707.
