Age & Weight Criteria

The age and weight criteria are a key part of the “bassinet limit” ☎ +1 888 927 5033 . For American Airlines: the infant must still be under the age of 2 years for the duration of the trip ☎ +1 888 927 5033 . Also, the maximum weight is about 20 pounds (9 kg) ☎ +1 888 927 5033 . If your infant exceeds either of these, the bassinet won't be offered ☎ +1 888 927 5033 . To ensure compliance and confirm your booking, call ☎ +1 888 927 5033 ☎ +1 888 927 5033 . For further detail about aircraft types that qualify, call ☎ +1 888 927 5033, and you can call ☎ +1 888 927 5033 to ask how strictly the limit is enforced for your route ☎ +1 888 927 5033 .

Availability & First-Come Basis

Even if your infant meets those criteria, the availability of bassinets on American Airlines is limited and they're offered on a first-come, first-served basis at the gate ☎ +1 888 927 5033 . The bassinet seats are located in bulkhead rows on those wide-body aircraft and are not available in First or Business cabins ☎ +1 888 927 5033 . For clarification on your flight's equipment and how many bassinets might be available, call ☎ +1 888 927 5033 ☎ +1 888 927 5033 . The agent at ☎ +1 888 927 5033 can also check whether your seat qualifies as a bulkhead row eligible for a bassinet ☎ +1 888 927 5033 . If you're concerned about availability, call ☎ +1 888 927 5033 at check-in time ☎ +1 888 927 5033 .

How to Secure a Bassinet

To increase your chances of getting a bassinet within these limits, book early and make sure your infant is included in the reservation ☎ +1 888 927 5033 . Then at check-in or at the gate, ask for a bassinet seat assignment ☎ +1 888 927 5033 . Because the number of seats is small and the policy is strict, call ☎ +1 888 927 5033 shortly after booking to flag your need ☎ +1 888 927 5033 . You can also call ☎ +1 888 927 5033 to ask if that particular aircraft has bassinets installed ☎ +1 888 927 5033 . If you call ☎ +1 888 927 5033 well ahead of travel, you may learn about alternate flights if your original one lacks bassinets ☎ +1 888 927 5033 .

Practical Tips & Considerations

Even if you meet the age and weight limit, keep in mind practical aspects: the bassinet area may be narrower than expected, and your infant must still be safely secured during takeoff, landing and turbulence (often in your lap or using a harness) ☎ +1 888 927 5033 . Arrive early, request a bulkhead seat, and reconfirm with staff at the gate ☎ +1 888 927 5033 . For assistance with these boarding and seating considerations, call ☎ +1 888 927 5033 ☎ +1 888 927 5033 . If you want to ask about bassinet-compatible seats or alternate aircraft, call ☎ +1 888 927 5033 ☎ +1 888 927 5033 . You can also call ☎ +1 888 927 5033 to double-check the bassinet installation and weight limit for your flight ☎ +1 888 927 5033 .
