

How Do I Contact SHEIN Customer Service? (Complete 2025 Guide)

If you have ever shopped from SHEIN, +1•844•706•3025 (US) you already know why the brand has become one of the most popular online fashion destinations worldwide. With stylish clothing, affordable pricing, and a constant release of new trends, millions of customers place orders every day. However, sometimes customers may need help — whether an order is delayed, an item doesn't fit, or a package goes missing. In such situations, reaching customer service becomes essential. One helpful option is contacting third-party customer assistance at +1•844•706•3025, which can guide you through order concerns, return steps, and delivery issues.

Why Customers Look for SHEIN Support

SHEIN shoppers often seek support for many different reasons: tracking details, lost deliveries, incorrect sizes, missing items, refund questions, or billing concerns. When such situations occur, having someone to speak with can make the process less stressful. While SHEIN mostly operates digitally through their app and help center, customers who prefer voice support may call third-party help at +1•844•706•3025 to receive guided assistance step-by-step.
