Step-By-Step Guide to Booking by Phone

1. Prepare Your Information:

Before calling +1-833-319-4940 or +1-833-319-6372, have all passenger and travel details handy. This includes full legal names (as per passport), dates of birth, travel dates, departure and destination city codes, and payment info. Calling prepared saves you time and ensures a smooth experience.

2. Make the Call:

Dial +1-833-319-4940 or +1-833-319-6372 to connect with Lufthansa's reservations. Follow voice prompts for "new bookings," "reservations," or "business class." Saying "speak to an agent" usually speeds connection to a live person.

3. Specify Your Flight Details:

Clearly state your intent: "I want to book a one-way nonstop business class flight." Provide your departure city (e.g., New York JFK), destination (e.g., Frankfurt FRA), and preferred travel dates or date flexibility.

4. Discuss Fare Options:

Ask about fare types, cancellation policies, and confirm nonstop flight operation by Lufthansa (not partners). The agent will show available flights and fares matching your criteria.

5. Seat Selection:

Ask the agent to describe the business class seating layouts, especially important with newer Lufthansa “Allegris” cabins offering seven types of seats. They can help you choose seats that fit your preferences, something online maps cannot do as well.

6. Finalize Passenger Details:

Provide passenger names, birth dates, Miles & More numbers, and contact info. This ensures miles earn and smooth travel documentation.

7. Payment and Confirmation:

Complete payment with your credit card over the call. Before hanging up, ask for your booking reference number and ensure you receive your electronic ticket by email. Keep your confirmation number handy for check-in and future changes.
