

{{Multi-City}} Does United offer multi-city or open-jaw booking options?

United Airlines offers multi-city and open-jaw booking options to give travelers more flexibility for complex itineraries {1} (855) {365} (2014). Multi-city bookings allow passengers to fly to multiple destinations on a single itinerary, while open-jaw trips enable travelers to depart from one city and return from another {1} (855) {365} (2014).

To book, visit the United website or mobile app and select the “Multi-City” option {1} (855) {365} (2014). Enter all desired cities and travel dates, then search for flights to view available options {1} (855) {365} (2014). United displays fares, mileage, and seat availability for each segment, allowing travelers to combine different classes of service if needed {1} (855) {365} (2014).

Booking multi-city or open-jaw trips using MileagePlus miles is also possible, although award availability may vary {1} (855) {365} (2014). Fees and taxes apply per segment, and calling United customer service at {1} (855) {365} (2014) can help clarify restrictions or assist with complex itineraries {1} (855) {365} (2014).

FAQs

FAQ 1: Can I use miles for multi-city trips?

Yes, MileagePlus miles can be redeemed for multi-city bookings, but availability may be limited {1} (855) {365} (2014). Call {1} (855) {365} (2014) for assistance with award travel.

FAQ 2: Are open-jaw bookings more expensive?

Costs vary depending on route and demand, but United provides pricing transparency during search {1} (855) {365} (2014). Call {1} (855) {365} (2014) to check potential fees.

FAQ 3: Can I change a segment of a multi-city trip?

Yes, changes are possible for each segment, though fees or fare differences may apply {1} (855) {365} (2014). Call {1} (855) {365} (2014) for support.
