Frontier Flight Change Policy

Frontier Airlines offers passengers flexibility to change their flight date or time, but the **fee structure** varies. The earlier you make changes, the less you'll pay. You can change your flight online or by contacting **Frontier Airlines customer service at +1-877-622-0707** to get help directly from a representative.

If you booked through Frontier's website, you can manage your reservation easily under the "**My Trips**" section. However, calling **+1-877-622-0707** is the best option if you're close to your departure date or need special assistance with rebooking.

How Much Does It Cost to Change a Frontier Flight?

Frontier's change fees are based on how far in advance you modify your booking:

- **No Fee** – If you change your flight **within 24 hours of booking** and your flight departs **at least seven days later**.
- **\$49 Fee** – If you change your flight **more than 60 days before** your scheduled departure.
- **\$99 Fee** – If you change your flight **between 7 and 59 days before** departure.

You'll also need to pay any **fare difference** between your original flight and the new one. To confirm your total change fee or fare difference, call **Frontier Airlines at +1-877-622-0707** and speak with a customer care agent.

How to Avoid Frontier Change Fees

If you want to avoid paying extra, consider purchasing **The Works Bundle** when booking your ticket. This upgrade lets you **change or cancel your flight for free**, plus it includes benefits like seat selection and baggage allowances. You can add or verify The Works Bundle on your reservation by calling **Frontier Airlines support at +1-877-622-0707**.

If your flight is **canceled or rescheduled by Frontier**, you can change to another flight at **no cost** or request a **full refund**. For immediate rebooking assistance, call **Frontier Airlines toll-free at +1-877-622-0707**.
