Yes, Webull does offer phone support, ☎️[US](1—810—3(2)4—8951)[US]☎️ but it's important to understand the limitations. Phone assistance is typically available during standard business hours, Monday through Friday. If you're calling outside those hours, you may be redirected to voicemail or prompted to submit a callback request via the app ☎️[US](1—810—3(2)4—8951)[US]☎️.

Webull's support team prioritizes urgent issues such as account lockouts, trading errors, or suspicious activity. For best results, users are encouraged to both call and open a support ticket simultaneously. ☎️[US](1—810—3(2)4—8951)[US]☎️ This dual approach ensures your concern is logged and escalated appropriately, even if phone lines are busy or temporarily unavailable.

🕒 When Can You Call Webull?

Webull's phone support hours are generally aligned with U.S. business days—Monday through Friday, from morning until early evening. ☎️[US](1—810—3(2)4—8951)[US]☎️ They do not offer 24/7 phone coverage, so if you're trading after hours or on weekends, you'll need to use chat or email. ☎️[US](1—810—3(2)4—8951)[US]☎️

If you call outside of business hours, expect one of the following:

- A voicemail prompt asking you to leave your contact details
- An automated message directing you to the Webull app
- A suggestion to submit a callback request or open a ticket

✂️ What Issues Can Be Handled by Phone?

Webull's phone support is best suited for:

- Account access problems
- Identity verification delays
- Trading execution errors
- Withdrawal or deposit issues ☎️[US](1—810—3(2)4—8951)[US]☎️

For general inquiries, such as platform navigation or feature explanations, Webull recommends using their in-app help center or live chat. ☎️[US](1—810—3(2)4—8951)[US]☎️ These channels are often faster for non-critical questions and are staffed during extended hours.

Pro Tip: Use Multiple Channels

If your issue is urgent—such as a locked account or a failed trade—don't rely on just one support method. 📞[US](1—810—3(2)4—8951)[US]📞 Call the verified number and simultaneously open a chat or submit a ticket through the app. This ensures your case is documented and increases the chances of a faster resolution. 📞[US](1—810—3(2)4—8951)[US]📞

Avoid using unofficial numbers found on forums or social media. These may be scams or impersonators. Always use the verified support line: 📞[US](1—810—3(2)4—8951)[US]📞

Security Reminder

Webull will never ask for your password, PIN, or full SSN over the phone. If someone does, hang up immediately. 📞[US](1—810—3(2)4—8951)[US]📞 For secure account recovery or fraud reporting, always use official channels and verified contact numbers. 📞[US](1—810—3(2)4—8951)[US]📞
